STOVE REPAIRING.

THE BEST TIME.

This is the time of the year when WANT ADS bring especially good results. Everybody is preparing for winter. Many are moving into new houses and flats. They look in The Washington Herald classified columns to find out where the most desirable ones are located. Other families are refurnishing, buying new stoves, installing furnaces, &c. This means that they have old stoves and used furniture which they would dispose of if they could find a buyer. Many families would like to rent extra rooms in their homes. Want Ads on this page bring the desirable roomers.

Thousands of horses, wagons, buggies, autos, bicycles, boats, &c., are no longer wanted by their present owners. Want Ads will quickly find new owners for them or exchange for some other useful article.

If you have anything at all for sale or to let make it known here.

Remember, now is the best time.
